Wood, steel

[Material Description]

Declaration of conformity with legislation

The product complies with the European Regulation No. 1935/2004 on material and articles used for food contact and European Regulation No. 2023/2006 on Good Manufacturing Practice.

In accordance with the German Food, Articles of Daily Use and Feed Code of September 1, 2005 (LFGB), Section 30 and 31, BfR recommendation, the product has undergone a sensorial examination odour and taste test and is tested for Extractable Formaldehyde. The product is also tested for Pentachlorophenol (PCP) and Arsenic compound content with reference to Annex XVII of REACH Regulation (EC) No 1907/2006. All test results were in compliance with the requirements. Additional information can be provided on request.

The product has been tested to comply with the restrictions given in the Council of Europe Resolution CM/Res(2013)9, the EDQM guideline on Metals and Alloys used in food contact material, and Finnish Regulation 268/1992. All test results were in compliance with the requirements. Additional information can be provided on request.
